

Acknowledgement of Risk and Waiver of Liability

As cast, crew, volunteer (or legal guardian for the minor(s) listed on this form) I consent to participation in this production/event hosted by Mid-Valley Productions (hereafter recognized as MVP). I realize the potential for injuries, and I understand that it is the intent of MVP to provide for the safety and protection of all participants, and injuries may still occur. In consideration for volunteer participation in MVP's events and productions, I hereby release Mid-Valley Productions, its Board of Directors, and production/event staff from all liability, and for all damages and injuries occurring during the rehearsal process, build workshops, run of the production, or publicity event(s) hosted or sponsored by MVP. I hereby agree to individually provide for the possible future medical expenses which may be incurred as a result of injury sustained while building, rehearsing, or performing for MVP.

I understand that while on site at the Russell Tripp Performance Center or in a designated off site space during my appointed participatory time, I am covered under MVP's liability insurance. I also understand that this insurance does not cover my travel to and from the event/production.

I understand that MVP may take pictures/video of its participants for use with their marketing and website. MVP is not responsible for any personal items that may be lost, damaged, or stolen during the rehearsal process, build workshops, run of the production, or publicity event(s) hosted or sponsored by MVP.

I understand that my participation in this MVP production/event is a commitment. By signing this form, I am agreeing to attend my designated volunteer shift(s) including rehearsals, set ups, and strikes. I will be on time, prepared, and present. If I am sick or feeling unwell, I will communicate to the appropriate staff and will stay home to prevent the spread of illness. I understand that it is my responsibility to communicate any issues directly to the production staff so they may be addressed and handled appropriately.
